

README.md Cheat Sheet & Reusable Template

This one-page guide shows how to format a professional README file on GitHub and provides a reusable template for all data analysis projects.

README Formatting Cheat Sheet

- **# Heading 1** – Main project title
- **## Heading 2** – Section heading
- **- Item** – Bullet points
- **![Text](image.png)** – Insert an image

Rule: The README file is the first thing employers see when they open your GitHub project.

Reusable README Template

Project Title

■ Project Overview

Briefly explain what the project is about and the business problem it solves.

■ Business Questions Answered

- Question 1
- Question 2
- Question 3

■ Key KPIs

- KPI 1
- KPI 2
- KPI 3

■■ Tools Used

- Tool 1
- Tool 2
- Tool 3

■ Project Output / Dashboard Preview

![Project Screenshot](image_name.png)

■ Key Insights

- Insight 1
- Insight 2
- Insight 3

■ Files in This Repository

- Dataset file
- Screenshot file
- README.md

■ Conclusion

Short summary of what the project demonstrates.

Tip: Consistency matters more than perfection. Reuse this template for every project.
